DAILY AND WEEKLY NORFOLK VIRGINIAN,

56 AND 58 ROANOKE AVENUE, VIRGINIA,

M. GLENNAN, Proprietor.

THE VIRGINIAN is an unrivalled medium through which the public of Eastern Virginia and North Carolina may be reached. Its success has been without a parallel in the history of the press of Virginia, and it points to-day with pleasure at the extensive patronage it receives from the hands of the business men of Norfolk.

The *Daily Virginian* contains every morning a summary of the latest Foreign and Domestic Intelligence by telegraph, with a full transcript of local matters. Its Commercial Department gives accurate quotations of Foreign and Home Markets, Receipts, Statistics, etc.; and its Marine Intelligence of the Ports of Norfolk, Portsmouth and Hampton Roads, is complete and full. **The Circulation of the DAILY VIRGINIAN exceeds that of any other Paper published in Eastern Virginia.** Its City circulation is Double that of any other, and its WEEKLY is in excess of all others combined. In proof of this, our Subscription Books, Bills of Paper and Postage for years back are always open to inspection, and we challenge comparison.

Its circulation is very extensive through the Eastern Shore, the Peninsula, Eastern and South-western Virginia, and all through Eastern and Central North Carolina.

Below will be found our Advertising Rates, to which we call special attention. They will be found liberal. Merchants, business men and others will find it to their advantage to make use of our columns.

PROPERTY OF
THE NORFOLK PUBLIC LIBRARY
1877 - 1878 Norfolk and Portsmouth City Directory

PREFACE.

This, my third issue of the Norfolk and Portsmouth Directory, I trust may be found as full, complete and reliable as its predecessors, as it shows a notable increase in the population of both cities. The Norfolk portion of the work contains, including *Berkley, Atlantic City, Brambleton, Outtensville, Mayfield* and *Ghent*, 7,425 individual names, an increase of 287 over the last publication. Multiplying the total number by 4, the ratio used for a similar purpose throughout the country, would give Norfolk, including the above-named suburban towns, a population of 29,700.

The Portsmouth Directory, including the surrounding suburbs, contains 3,460 names, which, multiplied by the same figure, would give a population of 13,840. The Business Directory has been arranged exclusively for patrons of the work, and I return my sincere thanks to such, as well as to all who have aided me by furnishing the necessary information to make the work complete.

Respectfully, &c.,

BENJ. R. SHERIFF,
PUBLISHER NORFOLK AND PORTSMOUTH DIRECTORY.
